**(1) ORGANIZATION**

***Overview***

Copper Property CTL Pass Through Trust, a New York common law trust (the “Trust,” “we,” “our” or “us”) was formed on December 21, 2020, in connection with the reorganization of Old Copper Company, Inc. (f/k/a J. C. Penney Company, Inc.) (“Old Copper”), effective as of January 30, 2021 (the “Effective Date”) pursuant to the terms of the Amended Joint Chapter 11 Plan of Reorganization of Old Copper and certain of its subsidiaries (collectively, the “Debtors”) (the “Plan of Reorganization”).

On the Effective Date, through separate wholly-owned property holding companies (the “PropCos”), the Trust acquired (as discussed below), 160 retail properties (the “Retail Properties”) and six distribution centers (the “Warehouses” and, together with the Retail Properties, the “Properties”), all of which were leased under two Master Leases (as discussed in Note 4) to one or more subsidiaries of Copper Retail JV LLC (“OpCo Purchaser”) (collectively with its subsidiaries, “Penney Intermediate Holdings LLC”), an entity formed by and under the joint control of Simon Property Group, L.P. and Brookfield Asset Management Inc. During 2021, the Trust sold all six Warehouses.

The Trust’s operations consist solely of (i) owning the Properties and interests as lessee of land under non-cancellable ground leases, (ii) leasing the Properties under the terms of the Retail Master Lease (as defined below) to Penney Intermediate Holdings LLC as the sole tenant and (iii) subject to market conditions and the conditions set forth in the Trust Agreement, selling the Properties to third-party purchasers through the PropCos.

As of June 30, 2023, the real estate portfolio consists of 132 Retail Properties, of which 21 are encumbered by ground leases, in the United States (the “U.S.”) across 36 states and Puerto Rico, and comprising 17.5 million square feet of leasable space.

***Formation***

On May 15, 2020, the Debtors commenced voluntary cases under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) in the United States Bankruptcy Court for the Southern District of Texas (the “Bankruptcy Court”).

On October 28, 2020, the Debtors entered into an Asset Purchase Agreement (the “Asset Purchase Agreement”) with OpCo Purchaser, and Copper Bidco LLC (“PropCo Purchaser” and, together with OpCo Purchaser, the “Purchasers”), an entity formed on behalf of lenders under Old Copper’s (i) senior secured superpriority, priming debtor-in-possession credit facility (the “DIP Facility”), (ii) 5.875% senior secured notes due 2023 (the “First Lien Notes”) and (iii) Amended and Restated Credit and Guaranty Agreement, dated as of June 23, 2016 (the “Term Loan Facility” and together with the First Lien Notes, the “First Lien Debt”), pursuant to which the Purchasers agreed to acquire substantially all of the Debtors’ assets and assume certain of the Debtors’ obligations in connection with the purchased assets.

On December 12, 2020, the Debtors filed the Plan of Reorganization which was confirmed by the Bankruptcy Court on December 16, 2020.

On December 21, 2020, the Trust was formed in connection with the reorganization of Old Copper.

On the Effective Date, the Plan of Reorganization became effective pursuant to its terms, at which point PropCo Purchaser and GLAS Trust Company, LLC, as the Trust’s independent third-party trustee (the “Trustee”), entered into an Amended and Restated Trust Agreement (as amended, the “Trust Agreement”). In connection with the consummation of the transactions set forth in the Asset Purchase Agreement and in exchange for a \$1 billion aggregate credit bid by PropCo Purchaser, comprising \$900 million of claims under the DIP Facility and \$100

million of claims, on a pro rata basis, under the First Lien Debt, and simultaneous release of obligations under the DIP Facility and First Lien Debt, Old Copper transferred (or caused its subsidiaries to transfer) its fee simple or ground leasehold title (as applicable) in certain properties to the PropCos and assigned (or caused such subsidiaries to assign) the Master Leases (as defined below) relating to the Properties to the Trust.

As a result, as of the Effective Date, the Trust owned, through the PropCos, 160 Retail Properties and six Warehouses, all of which were leased to one or more subsidiaries of Penney Intermediate Holdings LLC under two Master Leases. In connection with the foregoing, certain of the Debtors' lenders received their pro-rata portion of the equity interest in the Trust, as evidenced by the Trust Certificates (as defined below). The aggregate credit bid was not an indicator of the fair value of the assets and liabilities of the Trust as of the Effective Date, and it does not represent the full extent of debt that was owed to the creditor group.

The Trust accounted for the reorganization using fresh start accounting under Financial Accounting Standards Board ("FASB") Accounting Standard Codification ("ASC") Topic 852, which resulted in the Trust becoming a new entity for financial reporting purposes on the Effective Date. Accordingly, all assets and liabilities were recorded at fair value in accordance with accounting requirements for business combinations under ASC 805-20.

As of the Effective Date, Old Copper had no ability to exercise any control over the Properties or the Trust and has no affiliation with the Trust. The Trust owns directly or indirectly 100% of the equity or partnership interests (as applicable) in the PropCos. Specifically, the PropCos include (i) CTL Propco I LLC, a Delaware limited liability company, CTL Propco I L.P., a Delaware limited partnership and CTL Propco PR I LLC and CTL Propco PR II LLC, Puerto Rico limited liability companies, which collectively own the fee simple or ground leasehold title (as applicable) to the Retail Properties and (ii) CTL Propco II LLC, a Delaware limited liability company and CTL Propco II L.P., a Delaware limited partnership, which collectively owned the fee simple title to the Warehouses. CTL Propco II LLC and CTL Propco II L.P. were dissolved on October 6, 2022.

***Trust Agreement***

The Trust is governed by the Trust Agreement between PropCo Purchaser and the Trustee. The Trust Agreement created a series of equity trust certificates designated as "Copper Property CTL Pass Through Certificates" (the "Trust Certificates"), 75 million of which were issued on the Effective Date. Each Trust Certificate represents a fractional undivided beneficial interest in the Trust and represents the interests of the holders of the Trust Certificates ("Certificateholders") in the Trust. All Trust Certificateholders shall vote as a single class and shall be in all respects equally and ratably entitled to the benefits of the Trust Agreement without preference, priority or distinction on account of the actual time or times of authentication and delivery, all in accordance with the terms and provisions of the Trust Agreement.

The Trustee performs trust administration duties, including treasury management and certificate administration and trustee fees, which are included in "General and administrative expenses" on the accompanying consolidated statements of operations. The Trust pays the Trustee an annual service fee of \$100, which is amortized monthly. For the three and six months ended June 30, 2023, the Trust incurred trustee fees of \$25 and \$50, respectively. For the three and six months ended June 30, 2022, the Trust incurred trustee fees of \$25 and \$50, respectively.

On December 30, 2021, the Trust amended the Trust Agreement, without the consent of its Certificateholders (as provided in the Trust Agreement), to permit the Trust to invest moneys held by the Trust instead of holding them in non-interest bearing accounts. The Trust has adopted a policy to maintain its cash equivalents in a government money market fund administered by a major bulge bracket investment banking firm which invests its assets only in (i) cash and (ii) securities issued or guaranteed by the United States or certain U.S. government agencies and having a weighted average life and weighted average maturity of no more than 120 days and 60 days, respectively. Each of these government money market funds is managed to maintain a stable net asset value, thereby eliminating principal risk.

***Management Agreement***

The Trust has retained Hilco JCP LLC, an affiliate of Hilco Real Estate LLC, as its independent third-party manager to perform asset management duties with respect to the Properties (together with any of its affiliates, replacement or successor, the "Manager") pursuant to an agreement with an initial term of 24 months, with automatic six month renewals until the termination of the Trust. The Trust pays the Manager a base management fee (the "Base Fee") and a fee for each property sold (the "Asset Management Fee"). The Base Fee is an amount equal to the greater of 5.75% of the lease payments of the Properties per month and \$333 per month. The Asset Management Fees consist of a closing fee of \$50 for each Warehouse sold and a success fee for each Retail Property and Warehouse sold which varies based on the sales proceeds and date sold.

The Trust incurred Base Fees of \$1,469 and \$1,590 for the three months ended June 30, 2023 and 2022, respectively, and \$2,945 and \$3,181 for the six months ended June 30, 2023 and 2022, respectively, which are included in "Operating expenses" on the accompanying consolidated statements of operations, of which \$490 and \$530 as of June 30, 2023 and June 30, 2022, respectively, were included in "Accounts payable and accrued expenses" on the accompanying consolidated balance sheets. The Trust incurred Asset Management Fees of \$0 for both the three months ended June 30, 2023 and 2022, and \$5 and \$143 for the six months ended June 30, 2023 and 2022, respectively, which are included in "Gain on sales of investment properties, net" on the accompanying consolidated statements of operations.

On May 12, 2021, the Trust filed a preliminary proxy statement with the U.S. Securities and Exchange Commission ("SEC") pursuant to Section 14(a) of the Securities Exchange Act of 1934, as amended, to solicit consent from Certificateholders to amend the Trust Agreement and Management Agreement. On June 11, 2021, following the expiration of the consent solicitation and upon receipt of the requisite approval from the Certificateholders, the Trust amended the Trust Agreement and the Management Agreement to effectuate the proposed amendments. As a result of the amendments, the Trust is now required to dispose of all Retail Properties by December 10, 2025.

**(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Basis of Presentation***

The accompanying consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States (GAAP) and the rules and regulations of the SEC.

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions. These estimates and assumptions affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting periods. For example, significant estimates, judgments and assumptions were required in a number of areas, including, but not limited to, estimating the fair value of the investment properties as of the Effective Date, determining the useful lives of real estate properties, determination of the incremental borrowing rate in ground leases, reasonably certain lease terms for ground and master leases, and evaluating the impairment of long-lived assets.

The accompanying consolidated financial statements include the accounts of the Trust, as well as all wholly owned subsidiaries of the Trust. All intercompany balances and transactions have been eliminated in consolidation. Wholly owned subsidiaries consist of limited liability companies and limited partnerships. The Trust has evaluated the fee arrangements with the Trustee and Manager to determine if they represent a variable interest, and concluded that the fee arrangements do not create a variable interest.

The accompanying consolidated financial statements include the quarterly periods ended June 30, 2023 and 2022 and the six months ended June 30, 2023 and 2022 (the "Reporting Periods"). These consolidated financial statements should be read in conjunction with the Trust's audited Annual Report on Form 10-K, as amended, for the year ended December 31, 2022 (the "10-K"), as certain disclosures in this Quarterly Report on Form 10-Q for the

(in thousands, except certificate and per certificate amounts)

quarterly period ended June 30, 2023 that would duplicate those included in the 10-K are not included in these consolidated financial statements.

***Impairment of Investment Properties***

The Trust's investment properties are reviewed for potential impairment at the end of each reporting period or whenever events or changes in circumstances indicate that the carrying value may not be recoverable. At such evaluation date, the Trust separately determines whether impairment indicators exist for each property. Examples of situations considered to be impairment indicators include, but are not limited to:

- a significant change in the credit quality of tenant;
- a reduction in anticipated holding period;
- a significant decrease in market price; and
- any other quantitative or qualitative events or factors deemed significant by the Trust's management.

If the presence of one or more impairment indicators as described above is identified on an evaluation date or at any point throughout the year with respect to a property, the asset is tested for recoverability by comparing its carrying value to the estimated future undiscounted cash flows. An investment property is considered impaired when the estimated future undiscounted cash flows are less than its current carrying value. When performing a test for recoverability or estimating the fair value of an impaired investment property, the Trust makes certain complex or subjective assumptions that include, but are not limited to:

- projected operating cash flows considering factors such as vacancy rates, rental rates, lease terms, tenant financial strength, competitive positioning and property location;
- estimated holding period or various potential holding periods when considering probability-weighted scenarios;
- projected capital expenditures and lease origination costs;
- estimated interest and internal costs expected to be capitalized;
- projected cash flows from the anticipated or eventual disposition of an operating property;
- comparable selling prices; and
- property-specific capitalization rates and discount rates.

To the extent impairment has occurred, the Trust will record an impairment charge calculated as the excess of the carrying value of the asset over its estimated fair value. For the six months ended June 30, 2023 and 2022, no impairment charge was recorded.

***Investment Properties Held for Sale***

In determining whether to classify an investment property as held for sale, the Trust considers whether (i) management has committed to a plan to sell the investment property, (ii) the investment property is available for immediate sale in its present condition, subject only to terms that are usual and customary, (iii) the Trust has a legally enforceable contract that has been executed and the buyer's due diligence period, if any, has expired, and (iv) actions required for the Trust to complete the plan indicate that it is unlikely that any significant changes will be made.

If all of the above criteria are met, the Trust classifies the investment property as held for sale. When these criteria are met, the Trust (i) suspends depreciation (including depreciation for tenant improvements and building improvements) and amortization of in-place lease intangibles and any above or below market lease intangibles and (ii) records the investment property held for sale at the lower of carrying value or estimated fair value. The assets and liabilities associated with investment properties that are classified as held for sale are presented separately on the consolidated balance sheets for the most recent reporting period.

As of June 30, 2023 and December 31, 2022, there were no properties classified as held for sale.

**COPPER PROPERTY CTL PASS THROUGH TRUST**  
**Notes to Consolidated Financial Statements**  
**(Unaudited)**

(in thousands, except certificate and per certificate amounts)

**Cash and Cash Equivalents**

The Trust maintains its cash and cash equivalents at major financial institutions. At June 30, 2023 and December 31, 2022, cash equivalents consisted of investments in money market instruments. Cash and cash equivalents totaled \$33,942 and \$48,922 as of June 30, 2023 and December 31, 2022, respectively. The cash and cash equivalents balance at one or more of these financial institutions exceeds the Federal Depository Insurance Corporation (FDIC) insurance coverage. The Trust periodically assesses the credit risk associated with these financial institutions and believes that the risk of loss is remote. While the Trust did not have any accounts with any recently failed financial institution, nor has it experienced any losses to date on its cash and cash equivalents held in bank accounts, there is no assurance that financial institutions in which we hold our cash and cash equivalents will not fail, in which case we may be subject to a risk of loss or delay in accessing all or a portion of our funds exceeding the FDIC insurance coverage, which could adversely impact our short-term liquidity, ability to operate our business, and financial performance.

**Lease Income and Accounts Receivable**

The Trust accounts for leases under the provisions of FASB ASC Topic 842. The Trust commenced recognition of lease income on its Master Leases (as discussed in Note 4) as of the Effective Date. In most cases, revenue recognition under a lease begins when the lessee takes possession or controls the physical use of the leased asset. Generally, this occurs on the lease commencement date. Lease income for leases that have fixed and measurable rent escalations, is recognized on a straight-line basis over the term of each lease. The difference between such lease income earned and the cash rent due under the provisions of a lease is recorded as straight-line rent receivable or payable and is included as a component of "Accounts receivable" in the accompanying consolidated balance sheets.

At lease commencement, the Trust estimated that collectibility was probable for the Master Leases due to the creditworthiness analysis performed. Throughout the lease term, individual leases are assessed for collectibility and upon the determination that the collection of rents over the remaining lease life is not probable, lease income is adjusted such that it is recognized on the cash basis of accounting. The Trust will remove the cash basis designation and resume recording lease income from such tenant on an accrual basis when the Trust believes that the collection of rent over the remaining lease term is probable and, generally, based upon a demonstrated payment history. For the Reporting Periods, lease income is accounted for on the accrual basis of accounting. As of June 30, 2023, lease payments of \$8,518 received in advance under the terms of the Master Leases are included in "Other liabilities" in the accompanying consolidated balance sheets and will be recognized as lease income in July 2023. As of December 31, 2022, lease payments of \$8,555 received in advance under the terms of the Master Leases are included in "Other liabilities" in the accompanying consolidated balance sheets and were recognized as lease income in January 2023.

The Trust records all changes in uncollectible lease income as an adjustment to "Lease income" in the accompanying consolidated statement of operations. During the Reporting Periods, there was no uncollectible lease income.

**Right-of-use Lease Assets and Lease Liabilities**

The Trust was assigned an interest as lessee of land under 23 non-cancellable ground leases with third party landlords which were classified as operating leases on the Effective Date. As of June 30, 2023, the Trust held an interest as lessee of land under 21 non-cancellable ground leases. Rental expense associated with land that the Trust leases under non-cancellable operating leases is recorded on a straight-line basis over the term of each lease. In accordance with the Master Lease, rental expense associated with land is paid directly by Penney Intermediate Holdings LLC and is included in "Lease income" in the accompanying consolidated statements of operations (see Note 4).

On the Effective Date, the Trust recognized right-of-use ("ROU") lease assets and lease liabilities for long-term ground leases. The lease liability is calculated by discounting future lease payments by the Trust's incremental borrowing rate, which is determined through consideration of (i) the Trust's entity-specific risk premium, (ii)

**COPPER PROPERTY CTL PASS THROUGH TRUST**  
**Notes to Consolidated Financial Statements**  
**(Unaudited)**

(in thousands, except certificate and per certificate amounts)

observable market interest rates and (iii) lease term. The ROU asset is initially measured as the same amount as the lease liability and presented net of the Trust's existing straight-line ground rent liabilities and ground lease intangible liability. The lease liability is amortized based on changes in the value of discounted future lease payments and the ROU asset is amortized by the difference in the straight-line lease expense for the period and the change in value of the lease liability.

The Trust does not include option terms in its future lease payments where they are not reasonably certain to be exercised, however all option terms were considered to be reasonably certain of being exercised through the initial term of the Master Lease. The Trust has elected not to separate lease and non-lease components for operating leases.

**Income Taxes**

The Trust is intended to qualify as a liquidating trust within the meaning of United States Treasury Regulation Section 301.7701-4(d) or, in the event it is not so treated, a partnership other than a partnership taxable as a corporation under Section 7704 of the Internal Revenue Code of 1986, as amended.

The Trust records a benefit, based on the GAAP measurement criteria, for uncertain income tax positions if the result of a tax position meets a "more likely than not" recognition threshold. All tax returns remain subject to examination by federal and various state tax jurisdictions. As of June 30, 2023 and December 31, 2022, there were no uncertain tax positions and the balance of unrecognized tax benefits was \$0.

**Segment Reporting**

The Trust's chief operating decision makers, which are comprised of its Principal Executive Officer and Principal Financial Officer, assess and measure the operating results of the Trust's portfolio of properties based on net operating income and do not differentiate properties by geography, market, size or type. Each of the Trust's investment properties is considered a separate operating segment, as each property earns revenue and incurs expenses, operating results are individually reviewed and discrete financial information is available. However, the Trust's properties are aggregated into one reportable segment because (i) the properties have similar economic characteristics, (ii) the Trust provides similar services to its tenants and (iii) the Trust's chief operating decision makers evaluate the collective performance of its properties.

**(3) INVESTMENT PROPERTIES**

As of June 30, 2023, the Trust's real estate portfolio consisted of 132 Retail Properties across 36 U.S. states and Puerto Rico.

The following table presents the amortization during the next five years and thereafter related to the lease intangible assets and liabilities for properties owned as of June 30, 2023:

**Investment Properties Held for Sale**

No Retail Properties were classified as held for sale as of June 30, 2023 or December 31, 2022.

**(4) LEASES**

**Leases as Lessor**

The Retail Properties are leased pursuant to a single retail master lease (as amended, modified or supplemented from time to time, the "Retail Master Lease") and the Warehouses were leased pursuant to a single distribution center master lease (as amended, modified or supplemented from time to time, the "DC Master Lease"; together with the Retail Master Lease, the "Master Leases" and individually, each a "Master Lease"). On the Effective Date, Penney Intermediate Holdings LLC assigned all of its right, title and interest as lessor under the Master Leases to the applicable PropCo. Each of the Master Leases has an initial term of 20 years that commenced on December 7, 2020 and is classified as an operating lease. The Trust receives monthly base rent pursuant to the Master Leases, which was 50% abated through December 31, 2021 for each of the Retail Properties. At the beginning of the third lease year, base rent under the Retail Master Lease increases based on changes in the consumer price index (subject to a maximum 2% increase per year) and the increase is not included in fixed lease payments or the future undiscounted lease payments schedule. Upon the sale of the Warehouses in December 2021, the Trust assigned all of its right, title and interest as lessor in the DC Master Lease to the purchaser.

The Master Lease requires direct payment of all operating expenses, real estate taxes, ground lease payments (where applicable), capital expenditures and common area maintenance costs by Penney Intermediate Holdings LLC and allows for lessor reimbursement if amounts are not directly paid. Expenses paid directly by Penney Intermediate Holdings LLC are not included in the accompanying consolidated statement of operations, except for ground lease payments made by Penney Intermediate Holdings LLC, since recording cash payments made by Penney Intermediate Holdings LLC is necessary to relieve amounts due to the ground lessor included in the ground lease liabilities. Ground lease payments made by Penney Intermediate Holdings LLC of \$2,016 and \$2,007 for the six

months ended June 30, 2023 and 2022, respectively, were paid directly to the ground lessor by Penney Intermediate Holdings LLC and were included in “Lease income” in the accompanying consolidated statements of operations.

In certain municipalities, the Trust is required to remit sales and use taxes to governmental authorities based upon the rental income received from Properties. These taxes are required to be reimbursed by Penney Intermediate Holdings LLC to the Trust in accordance with the terms of the Master Lease, and are presented net of reimbursement from Penney Intermediate Holdings LLC on the consolidated statements of operations. During the six months ended June 30, 2023 and 2022, the Trust remitted sales and use taxes of \$373 and \$340, which were fully reimbursed by Penney Intermediate Holdings LLC as of the end of each corresponding Reporting Period.

From time to time the Trust may have leasing activity with replacement tenants other than Penney Intermediate Holdings LLC, but has had none to date.

Lease income related to the Trust’s operating leases during the three and six months ended June 30, 2023 and 2022 is comprised of the following:

**Leases as Lessee**

The Trust leases land under operating ground leases at certain of its Properties, which expire in various years from 2038 to 2096, including any available option periods that are reasonably certain to be exercised. All option terms were considered to be reasonably certain of being exercised through the initial term of the Master Lease.

**(5) COMMITMENTS AND CONTINGENCIES**

**Master Leases**

**Landlord Option Properties:** On the Effective Date, the Retail Master Lease provides the Trust an option on 23 of the Retail Properties allowing current or future landlords to terminate the Retail Master Lease as to that property upon 24 months' prior written notice. This option is limited (for the Trust, but not for future landlords) to eight Retail Properties in any lease year. As of December 31, 2022, the Trust had sold 16 Retail Properties with landlord termination options. During the six months ended June 30, 2023, no Retail Properties with landlord termination options were sold. As of June 30, 2023, there were seven remaining Retail Properties with landlord termination options.

**Tenant Option Properties:** On the Effective Date, the Retail Master Lease provided Penney Intermediate Holdings LLC an option to terminate the Retail Master Lease upon 24 months' prior written notice as to all or a portion of any one or more of six specified properties. This option is limited to no more than five Properties in any lease year. As of December 31, 2022, the Trust had sold five Retail Properties with tenant termination options. During the six months ended June 30, 2023, no Retail Properties with tenant termination options were sold. As of June 30, 2023, there was one remaining Retail Property with a tenant termination option.

**Substitution Options and Go Dark Rights:** The Retail Master Lease provides Penney Intermediate Holdings LLC an option to terminate the Retail Master Lease with respect to selected sub-performing properties upon replacement of such sub-performing properties with a qualified replacement property in accordance with the terms and conditions of the Retail Master Lease. Notwithstanding the foregoing, Penney Intermediate Holdings LLC shall only be entitled to exercise a substitution option (i) between the third and 15th anniversary of the commencement date of the Retail Master Lease and (ii) if the aggregate allocated base rent amounts for all Go Dark/Substitution Properties (as defined

in the Retail Master Lease) during the applicable period (as described in the Retail Master Lease) is less than or equal to 5% of the aggregate first year's base rent. The Retail Master Lease also provides Penney Intermediate Holdings LLC with the limited right to "go dark" (i.e., cease operations) at one or more Retail Properties in certain limited circumstances as set forth in the Retail Master Lease; provided that such right does not relieve Penney Intermediate Holdings LLC of its obligation to make any rent payments that are due and owing. Penney Intermediate Holdings LLC has not ceased operations at any of the Retail Properties as of June 30, 2023.

**Tenant Purchase Rights:** On the Effective Date, the Master Leases contained preferential offer rights in favor of Penney Intermediate Holdings LLC with respect to 70 of the Retail Properties and each of the Warehouses (the "Tenant Purchase Rights"), which enable Penney Intermediate Holdings LLC, in connection with a potential sale of such Properties, to acquire such Properties for a price determined in accordance with the procedures set forth in the Master Leases. These Tenant Purchase Rights require the Trust to reoffer a property to the tenant in the event it is not sold within a specified period of time at a specified minimum price related to the preferential purchase price. Eighteen of these Retail Properties, of which three were purchased by an affiliate of the tenant, and all of the Warehouses, of which none were purchased by the tenant, have been sold as of June 30, 2023.

**Lockout Periods:** The Trust agreed not to deliver notice to Penney Intermediate Holdings LLC formally commencing the sales process at those Properties subject to the Tenant Purchase Rights prior to the dates specified in the applicable Master Lease for such Properties. All lockout periods with respect to the Tenant Purchase Rights for the 70 Retail Properties have expired.

**Environmental Matters**

Federal law (and the laws of some states in which we own or may acquire properties) imposes liability on a landowner for the presence on the premises of hazardous substances or wastes (as defined by present and future federal and state laws and regulations). This liability is without regard to fault or knowledge of the presence of such substances and may be imposed jointly and severally upon all succeeding landowners. If such hazardous substance is discovered on a property owned by us, we could incur liability for the removal of the substances and the cleanup of the property.

There can be no assurance that we would have effective remedies against prior owners of the property. In addition, we may be liable to current or future tenants and may find it difficult or impossible to sell the property either prior to or following such a cleanup. There are no environmental matters that are expected to have a material effect on the Trust's consolidated financial statements.

**Risk of Uninsured Property Losses**

The Trust maintains property damage, fire loss, environmental, and liability insurance in addition to the insurance required to be maintained by the Tenant pursuant to the Master Leases. However, there are certain types of losses (generally of a catastrophic nature) which may be either uninsurable or not economically insurable. Such excluded risks may include war, earthquakes, tornados, floods and certain other environmental hazards. Should such events occur, (i) we may suffer a loss of capital invested, (ii) tenant may suffer losses and may be unable to pay rent for the spaces, and (iii) we may suffer a loss of profits which might be anticipated from one or more properties.

**Significant Risks and Uncertainties**

Although disruptions stemming from the COVID-19 pandemic have subsided, inflation, rising interest rates, reduced consumer spending, labor shortages, supply chain disruptions and global capital markets volatility pose increasing risks to the Company and the U.S. economy. The ongoing and potential future impacts of the war between Russia and Ukraine is also contributing to economic and geopolitical uncertainty. While we did not incur any disruptions to our lease income and occupancy during the six months ended June 30, 2023 as a result of these adverse political and economic conditions, credit markets or other events, we continue to closely monitor the impact of these factors as they may have a negative impact on our or Penney Intermediate Holdings LLC's business.

**Concentration of Credit Risk**

As of June 30, 2023, all of the Properties were leased to Penney Intermediate Holdings LLC, and all of the Trust's lease income was derived from the Master Leases (see Note 4). The Properties' tenants constitute a significant asset concentration, as all tenants are subsidiaries of Penney Intermediate Holdings LLC and Penney Intermediate Holdings LLC provides financial guarantees with respect to the Master Leases. Until the Trust materially diversifies the composition of tenants for its properties, an event that has a material adverse effect on Penney Intermediate Holdings LLC's business, financial condition or results of operations could have a material adverse effect on the Trust's business, financial condition or results of operations.

As of June 30, 2023, the Trust's properties are located across 36 U.S. states and Puerto Rico. For the six months ended June 30, 2023, the Trust's lease income was concentrated in two states as follows: California 18.8% and Texas 13.5%. For the six months ended June 30, 2022, the Trust's lease income was concentrated in two states as follows: California 18.5% and Texas 13.6%.

**Litigation**

From time to time, the Trust may be subject to various legal proceedings and claims that arise in the ordinary course of business. There are no current matters that are expected to have a material effect on the Trust's consolidated financial statements.

**(6) SUBSEQUENT EVENTS**

Subsequent to June 30, 2023, we paid monthly distributions to Certificateholders of \$7,897 or \$0.11 per certificate in July 2023. On August 7, 2023, we announced a distribution of \$7,779 or \$0.10 per certificate to be paid on August 10, 2023 to Certificateholders.

#### *COVID-19 Pandemic and Economic Conditions*

Although disruptions stemming from the COVID-19 pandemic have subsided, inflation, rising interest rates, reduced consumer spending, labor shortages, supply chain disruptions and global capital markets volatility pose increasing risks to the Company and the U.S. economy. The ongoing and potential future impacts of the war between Russia and Ukraine is also contributing to economic and geopolitical uncertainty. While we did not incur any disruptions to our lease income and occupancy during the six months ended June 30, 2023 as a result of these adverse political and economic conditions, credit markets or other events, any of these events could materially adversely impact the Trust or Penney Intermediate Holdings LLC's business. The Trust continues to closely monitor economic, financial and social conditions, including the effects of the COVID-19 pandemic.

#### **Executive Summary**

Copper Property CTL Pass Through Trust exists for the sole purpose of collecting, holding, administering, distributing and monetizing the Properties for the benefit of Certificateholders. As of June 30, 2023, we owned 132 retail operating properties, 21 of which are encumbered by ground leases, across 36 U.S. states and Puerto Rico representing 17,466 square feet of leasable space. The number of retail operating properties decreased to 132 as of June 30, 2023 from 133 as of December 31, 2022 as a result of one disposition during the six months ended June 30, 2023.

In December 2021, a Retail Property in Queens, New York was sold for aggregate sales proceeds, net of \$38,785, of which \$1,326 was held in escrow after closing. In March 2023, the amounts held in escrow were released to the Trust and included in gain on sales of investment properties, net. During the six months ended June 30, 2023, net gain on sales of investment properties was \$828, which includes a gain of \$1,326 less \$2 of selling expenses, from the release of escrow from the Retail Property in Queens, New York and a loss of \$(496) from the disposition of the Retail Property in Temecula, California.

The following table summarizes the disposition activity during the six months ended June 30, 2022:

				<b>204</b>	<b>\$ 22,000</b>	<b>\$ 20,961</b>	<b>\$ 3,651</b>

### Leasing Activity

There was no leasing activity during the six months ended June 30, 2023 and 2022.

### Capital Markets

There was no capital markets activity during the six months ended June 30, 2023 and 2022.

### Distributions

We paid distributions to the Certificateholders of \$68,189 or \$0.91 per certificate during the six months ended June 30, 2023, and \$659,651 or \$8.80 per certificate during the six months ended June 30, 2022.

### Results of Operations

For the three months ended June 30, 2023, net income attributable to Certificateholders was \$16,831 or \$0.22 per Certificate, as compared to \$16,591 or \$0.22 per Certificate for the comparable period in 2022.

For the six months ended June 30, 2023, net income attributable to Certificateholders was \$33,987 or \$0.45 per Certificate, as compared to \$37,021 or \$0.49 per Certificate for the comparable period in 2022.

The following describes the changes on the Trust's consolidated statements of operations that affected net income attributable to Certificateholders during the three and six months ended June 30, 2023, as compared to the corresponding period in 2022:

*Lease income* - The decrease in lease income of \$2,288 and \$4,470 for the three and six months ended June 30, 2023, respectively, as compared to the corresponding period in 2022, is due to the disposition of 14 Retail Properties between June 30, 2022 and June 30, 2023.

*Depreciation and amortization* - The decrease in depreciation and amortization of \$519 and \$1,024 for the three and six months ended June 30, 2023, respectively, as compared to the corresponding period in 2022, is due to the disposition of 14 Retail Properties between June 30, 2022 and June 30, 2023.

*General and administrative expenses* - The decrease in general and administrative expenses of \$1,315 and \$2,034 for the three and six months ended June 30, 2023, respectively, as compared to the corresponding period in 2022, is primarily due to decreases in insurance expense and legal expenses.

*Gain on sales of investment properties, net* - For the six months ended June 30, 2023, the gain on sales of investment properties, net of \$828 includes a loss on sale of \$496 from the disposition of one property during the period, which is offset by \$1,326 of additional income less \$2 of selling expenses from a disposition that occurred in 2021. During the six months ended June 30, 2022, the gain on sales of investment properties, net of \$3,651 was due to the disposition of one property.

#### Net operating income ("NOI")

We define NOI as all revenues other than (i) straight-line rental income (non-cash), (ii) amortization of above and below market lease intangibles, (iii) interest income and (iv) non-cash ground lease reimbursement income, less all operating expenses other than non-cash ground rent expense, which is comprised of amortization of right-of-use lease assets and amortization of lease liabilities, depreciation and amortization, and formation expenses. We believe that NOI, which is a supplemental non-GAAP financial measure, provides an additional and useful operating perspective not immediately apparent from "Net income" in accordance with accounting principles generally accepted in the United States ("GAAP"). Comparison of our presentation of NOI to similarly titled measures for other entities may not necessarily be meaningful due to possible differences in definition and application by such entities. For reference and as an aid in understanding our computation of NOI, a reconciliation of net income as computed in accordance with GAAP to NOI for the Reporting Periods is as follows:

	Three Months Ended June 30,		Six Months Ended June 30,	
	2023	2022	2023	2022
Net income	\$ 16,831	\$ 16,591	\$ 33,987	\$ 37,021
Adjustments to reconcile to NOI:				
Depreciation and amortization of real estate	4,817	5,336	9,647	10,671
Gain on sales of investment properties, net	—	—	(828)	(3,651)
Straight-line rental income, net	588	636	1,179	1,273
Amortization of above and below market lease intangibles, net	569	332	1,120	664
Interest income	(283)	(16)	(549)	(21)
Non-cash ground rent expense, net	1,495	1,555	2,991	3,110
Non-cash ground lease reimbursement income	(1,004)	(1,003)	(2,016)	(2,007)
NOI	\$ 23,013	\$ 23,431	\$ 45,531	\$ 47,060

The decrease in NOI of \$1,529 for the six months ended June 30, 2023, as compared to the six months ended June 30, 2022, is primarily due to the decrease in base rent from the sale of 14 Retail Properties between June 30, 2022 and June 30, 2023.

## Funds from Operations

The National Association of Real Estate Investment Trusts, or NAREIT, an industry trade group, has promulgated a financial measure known as funds from operations ("FFO"). As defined by NAREIT, FFO means net income computed in accordance with GAAP, excluding (i) depreciation and amortization related to real estate, (ii) gains from sales of real estate assets, (iii) gains and losses from change in control and (iv) provisions for impairment of investment properties. We have adopted the NAREIT definition in our computation of FFO attributable to Certificateholders. Management believes that, subject to the following limitations, FFO attributable to Certificateholders provides a basis for comparing our performance and operations to REITs.

We define Operating FFO attributable to Certificateholders as FFO attributable to Certificateholders excluding the impact of discrete non-operating transactions and other events which we do not consider representative of the comparable operating results of our real estate operating portfolio, which is our core business platform. Specific examples of discrete non-operating transactions and other events include, but are not limited to, the impact on earnings, which are not otherwise adjusted in our calculation of FFO attributable to Certificateholders.

We believe that FFO and Operating FFO, which are supplemental non-GAAP financial measures, provide an additional and useful means to assess our operating performance compared to REITs. FFO and Operating FFO do not represent alternatives to (i) "Net Income" or "Net income attributable to Certificateholders" as indicators of our financial performance, or (ii) "Cash flows from operating activities" in accordance with GAAP as measures of our capacity to fund cash needs, including the payment of dividends. Comparison of our presentation of Operating FFO to similarly titled measures for REITs may not necessarily be meaningful due to possible differences in definition and application by such REITs.

The following table presents a reconciliation of net income to FFO and Operating FFO:

	Three Months Ended June 30,		Six Months Ended June 30,	
	2023	2022	2023	2022
Net income	\$ 16,831	\$ 16,591	\$ 33,987	\$ 37,021
Depreciation and amortization of real estate	4,817	5,336	9,647	10,671
Gain on sales of investment properties, net	—	—	(828)	(3,651)
FFO	\$ 21,648	\$ 21,927	\$ 42,806	\$ 44,041
FFO per certificate outstanding – basic and diluted	\$ 0.29	\$ 0.29	\$ 0.57	\$ 0.59
FFO	\$ 21,648	\$ 21,927	\$ 42,806	\$ 44,041
Dead deal costs	—	114	19	224
Operating FFO	\$ 21,648	\$ 22,041	\$ 42,825	\$ 44,265
Operating FFO per certificate outstanding – basic and diluted	\$ 0.29	\$ 0.29	\$ 0.57	\$ 0.59

The decrease in FFO and Operating FFO of \$1,235 and \$1,440, respectively, for the six months ended June 30, 2023, as compared to the six months ended June 30, 2022 is primarily due to the decrease of lease income of \$4,470 due to the sale of 14 Retail Properties between June 30, 2022 and June 30, 2023.

## Liquidity and Capital Resources

We anticipate that cash flows from the below-listed sources will provide adequate capital for the next 12 months and beyond for all Certificateholder distributions.

Our primary expected sources and uses of liquidity are as follows:

<b>SOURCES</b>	<b>USES</b>
<ul style="list-style-type: none"><li>▪ Rental revenues</li></ul>	<ul style="list-style-type: none"><li>▪ Operating and general and administrative expenses</li></ul>
<ul style="list-style-type: none"><li>▪ Cash and cash equivalents</li></ul>	<ul style="list-style-type: none"><li>▪ Sales expenses</li></ul>
<ul style="list-style-type: none"><li>▪ Net proceeds from the sale of real estate</li></ul>	<ul style="list-style-type: none"><li>▪ Distribution payments</li></ul>

The Trust has adopted a policy to maintain its cash equivalents in a government money market fund administered by a major bulge bracket investment banking firm which invests its assets only in (i) cash and (ii) securities issued or guaranteed by the United States or certain U.S. government agencies and having a weighted average life and weighted average maturity of no more than 120 days and 60 days, respectively. Each of these government money market funds is managed to maintain a stable net asset value, thereby eliminating principal risk.

We had no indebtedness as of June 30, 2023 and December 31, 2022.

### *Debt Maturities*

We have no scheduled maturities and principal amortization of our indebtedness, since we had no indebtedness as of June 30, 2023 and December 31, 2022.

### *Distributions*

The Trust is required to distribute on a monthly basis, the net proceeds from lease payments under the Master Leases (until such time as all of the Properties have been sold) and all net sales proceeds from the disposition of Properties, in each case pro rata, to Certificateholders as of the record date immediately preceding the applicable distribution date. Such distributions shall be net of (i) tax payments to be made by the Trust, (ii) fees and expenses of the Trust, the Trustee, the Manager and any other professional advisors, and (iii) funds to be set aside for the Trustee's and Manager's reserve accounts.

We paid distributions to the Certificateholders of \$68,189 or \$0.91 per certificate during the six months ended June 30, 2023, and \$659,651 or \$8.80 per certificate during the six months ended June 30, 2022.

### *Dispositions*

Net sales proceeds from the disposition of Properties were included in the distributions to Certificateholders. During the six months ended June 30, 2023 and 2022, included in the amount we paid to Certificateholders was \$22,929 and \$617,382, respectively, of aggregate net sales proceeds.

### *Capital Expenditures*

We anticipate that obligations related to capital improvements will not be significant as these are generally the responsibility of the Tenant under the Master Leases and should otherwise be met with cash flows from operations.

### Summary of Cash Flows

The following table summarizes our cash flows:

	Six Months Ended June 30,	
	2023	2022
Net cash provided by operating activities	\$ 46,013	\$ 45,481
Net cash provided by investing activities	7,196	20,961
Net cash used in financing activities	(68,189)	(659,651)
Change in cash, cash equivalents and restricted cash	(14,980)	(593,209)
Cash, cash equivalents and restricted cash, at beginning of period	48,922	627,522
Cash, cash equivalents and restricted cash, at end of period	\$ 33,942	\$ 34,313

#### Cash Flows from Operating and Investing Activities

Net cash provided by operating activities for the six months ended June 30, 2023 was \$46,013, as compared to \$45,481 for the six months ended June 30, 2022. The increase of \$532 is primarily due to an increase of \$2,627 in other assets resulting from a reduction in insurance premium, but offset by decreases in other liabilities, and lease income due to the sale of 14 Retail Properties between June 30, 2022 and June 30, 2023.

Cash flows provided by investing activities for the six months ended June 30, 2023 were \$7,196, as compared to \$20,961 for the six months ended June 30, 2022. Investing activities solely consists of proceeds from sales of investment properties, and the decrease in net cash provided by investing activities from the six months ended June 30, 2023 to the six months ended June 30, 2022 is due to disposition activity in each Reporting Period.

During the six months ended June 30, 2023, total net cash provided by operating and investing activities was \$53,209, however \$68,189 was distributed to Certificateholders in 2023, of which \$22,944 were distributions of cash flows from operating and investing activities received during December 2022.

Management believes that cash flows from operations and sales of investment properties and existing cash and cash equivalents will provide sufficient liquidity to sustain future operations; however, we cannot provide any such assurances.

#### Cash Flows from Financing Activities

Cash flows used in financing activities for the six months ended June 30, 2023 was \$68,189, as compared to \$659,651 for the six months ended June 30, 2022. Financing activities for both Reporting Periods consisted of distributions paid to Certificateholders.

### Contractual Obligations

As of June 30, 2023, we have 21 properties that are subject to long-term non-cancelable ground leases. These leases expire in various years from 2038 to 2096, including any available option periods that are reasonably certain to be exercised.

The following table summarizes the Trust's obligations under non-cancelable operating leases as of June 30, 2023:

	<b>Payments due by period</b>
Period from July 1 to December 31, 2023	\$ 2,046
2024	4,124
2025	4,116
2026	4,138
2027	4,197
Thereafter	220,159
Less imputed interest	(201,046)
Total	<u>\$ 37,734</u>

### Off-Balance Sheet Arrangements

We do not have any off-balance sheet arrangements.

### Critical Accounting Policies and Estimates

Our 2022 Annual Report on 10-K contains a description of our critical accounting policies, including those relating to the acquisition of the Properties and impairment of long-lived assets. For the six months ended June 30, 2023, there were no significant changes to these policies.

### Impact of Recently Issued Accounting Pronouncements

None.

### Subsequent Events

Subsequent to June 30, 2023, we paid monthly distributions to Certificateholders of \$7,897 or \$0.11 per certificate in July 2023. On August 7, 2023, we announced a distribution of \$7,779 or \$0.10 per certificate to be paid on August 10, 2023 to Certificateholders.

## ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

### Interest Rate Risk

We are not exposed to interest rate risk because we currently do not hold any long-term debt or derivatives. If we were to enter into long-term debt arrangements, our interest rate risk management objectives would be to limit the impact of interest rate changes on earnings and cash flows and to lower our overall borrowing costs.

As of June 30, 2023, we did not hold any fixed or variable rate debt, and did not hold any derivative financial instruments to hedge exposures to changes in interest rates.

## ITEM 4. CONTROLS AND PROCEDURES

### Evaluation of Disclosure Controls and Procedures

Management, with the participation of the Principal Executive Officer and Principal Financial Officer, has evaluated the effectiveness of our disclosure controls and procedures (as defined in the Securities and Exchange Act of 1934 Rules 13a-15(e) and 15d-15(e)) and internal control over financial reporting (as defined in Exchange Act Rules 13a-15(f) and 15d-15(f)) as of June 30, 2023. Based upon this evaluation, the Principal Executive Officer and Principal Financial Officer concluded that our disclosure controls and procedures were effective as of June 30, 2023 to provide reasonable assurance that information required to be disclosed in the reports that we file or submit under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the U.S. Securities and Exchange Commission's rules and forms, and that it is accumulated and communicated to our management, including our Principal Executive Officer and Principal Financial Officer, as appropriate to allow timely decisions regarding the required disclosure.

### Changes in Internal Control Over Financial Reporting

There were no changes to our internal control over financial reporting (as defined in Rules 13a-15(f) and 15d-15(f) under the Exchange Act) during the quarter ended June 30, 2023 that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

### Limitations on Effectiveness of Controls and Procedures

All internal control systems, no matter how well designed, have inherent limitations. Therefore, even those internal control systems determined to be effective can provide only a level of reasonable assurance with respect to financial statement preparation and presentation. Our disclosure controls and procedures have been designed to achieve their objectives, and as noted, our Principal Executive Officer and Principal Financial Officer believe that our disclosure controls and procedures were effective at the reasonable assurance level as of June 30, 2023.

## PART II — OTHER INFORMATION

Neither the Trust nor any of its subsidiaries are currently a party as plaintiff or defendant to and none of our properties are the subject of any pending legal proceedings that we believe to be material or that individually or in the aggregate would be expected to have a material effect on our business, financial condition or results of operations if determined adversely to us. We are not aware of any similar proceedings that are contemplated by governmental authorities.

### ITEM 1A. RISK FACTORS
